### Two Institutional Best Practices 2016 - 17

**1 Title Infrastructure and subject orientation**—The institution is the only college in Seepat district Bilaspur and around 15 kilometres and is SC/OBC dominated belt. The strength of students is increasing every year. College has all three faculties of arts, science, commerce. Professional courses(PGDCA,DCA,BCA, MSW) in the college is running successfully through Self-Finance system. The institution focusses on the overall development of its students through the NSS unit. The College is determined to build a strong society through NSS which functions with a co-ordinator who is a regular professor and appointed by the principal of the institution, and the wing works under the NSS cell of Bilaspur University, Bilaspur. This platform works as a wonderful platform for a community service as well as to remain connected with locals. The college has adopted village naming Manjurpahari under the norms of GOD-GRAM YOJNA for the extension activities. The college promotes overall development and character building of the students. Through our extension activities we come to identify the needs and problems of the community and involve them in problem-solving and help them to develop among themselves a sense of social and civic responsibility. Such activities help them to gain skills in mobilizing community participation and practice national integration and social harmony. we proudly present very sufficient admission and attendance of girls in our institution, which itself is a proof of safe and congenial environment of the campus. Under the women harassment cell we organize introduction meetings with the newly admitted girl students specifically so as to infuse confidence and to prepare them for future challenges we organize health awareness programme for girls regarding their various mental and physical problems The Practice In the present academic year 2016-17, 'Beti Bachao and Beti Padhao' Nasha Mukti Abhiyan, Tree Plantation Day. Swachha Bharat Mission keeping the college campus and surrounding clean through awareness generation. No Plastic campaigns. Clean Campus Mission- Awareness program in god gram about how to keep the locality clean . Surveys among the rural people of god gram on health, education, employment, the population of animals and environmental awareness. Problems Encountered and Resources Required: sometimes insufficient resources and insufficient financial aid makes it difficult to take up so many challenges. Notes: The campus- community interaction serves encourages social mixing among a diversified crowd promoting communal harmony and on the other hand such frequent interactions and visit the college campus by the young girls raise enthusiasm among them to join higher college of study for a better future.

**Institutional Best Practice–2** Title of the Practice: Green Campus - Clean campus Objectives of the practice – The college conducts a large number of practices in its campus on the vision, mission and objective of the college. The college also understands its responsibilities towards regional state, national and ultimately global challenges regarding global warming, plastic hazards and preservation of biodiversity. The College strives at the promotion of green practices and therefore, plants hundreds of plants in the campus and outside the locality through its NSS, YRC, students and faculty members. The Context: - The practice is designed and implemented to meet the challenging issue related to environmental pollution and global warming reading to the most dangerous points and therefore it has

been very burning issue for the world .So to control release of gases creating green house effect and in promises of our prime minister, the college does not only hold plantation programmes in campus but also strives at their protection. The Practice: This college values green environment to the utmost degree and makes constantly all the efforts to keep the campus perennially green. The students and faculty also undertake the programme making the campus plastic free, weekly on every Saturday under Swachhata Abhiyan. The college conducts greenery and cleanliness awareness programmes for the students telling them that littering of used material is harmful to the greenery of the environment. These efforts and steps have resulted into a satisfactorily green and healthful environment in our college campus. We have done plantation and kept them protected with the help of NTPC Seepat and we extend our heartfelt thanks towards them. This is regularly watered and tendered. The college takes regular steps to plant trees at different places of the college premises, and this makes and keeps the college area green and healthful. Greenery of the campus is one of our chief concerns.

Problems: The soil of the campus is being polluted because of the ashes being dumped which in turn degrade our plants. Even the need is felt to make the campus plastic free. Notes: Cleanliness and greenery being integrally related, this college makes constant efforts to keep the premises clean. At regular intervals, swachhata drives are undertaken by the teachers and non-teaching staff of the college.. We make every effort to dispose off the garbage in a scientific manner.
