## Department of Mathematies

Mathematics is the queen of Arts, Science and Technology. Mathematics has revolutionized our thinking process and brought human being from all parts of globe closer, helped charter space and ocean alike. Mathematics is the language and tool to explore and discover new frontiers in all fields of science and technology, social science and even languages. The representation of real word in mathematical terms and to elicit new information from it is the role of mathematics. The goal is to understand reality mathematically.

THE DEPARTMENT OF MATHEMATICS WAS STARTED IN 2012. THE DEPARTMENT OF MATHEMATICS HAVE QUALIFIED, DEDICATED AND SINCERE FACULTY MEMBER.

Our mission, to Provide leaderships to empower teachers to deliver instruction that develops mathematical competence and confidence in students and provides effective strategies for improving mathematical literacy for all.

## OUR VISION, WE ARE COMMITTED TO IMPROVING MATHEMATICS

 TEACHING AND LEARNING FOR ALL.Number of Student in B Sc Classes

1. B. Sc Part I-50
2. B.Sc. Part II -50
3. B. Sc. Part III -50

RESULT OF DEPARTMENT OF MATHEMATICS IS -
RESULT ANALYSIS
