**Institutional Facility for Alternate sources of Energy  
Conservation Measures**

As per availability, the college has claimed (i) Solar energy and (ii) Use of LED bulbs/ power efficient equipment as alternate sources of energy conservation facilities. Solar panels have been installed in the college along with LED bulbs/ tube lights fittings by NTPC under CSR (Corporate Social Responsibility) scheme. Since both the solar panel and LED bulbs/ tube lights have been installed in the college by the courtesy of NTPC, the bills/ vouchers/ GST invoice of these are not available in this office. In support of our claim, we have attached herewith geotagged photographs, handing over certificate of Ganesh Electricals Pvt. Ltd., Raipur, receipt of the same and copy of related information shared by NTPC to District Collector, as a proof.
