

7.3.1 –Portray the performance of the Institution in one area distinctive to its priority and thrust

Given the rural location and limited resources of college, it provides promise of education to underprivileged and meritorious alike, in the best manner possible. Overall development of students is a priority of college staff and administration. The college campus, rich in biodiversity and surrounded by various types of flora and fauna, provides itself a lively learning experience. The making of manure from the dry leaves and initiatives for water conservation like rainwater harvest and bore well recharge in the campus, also inspire students. The annual college magazine is published in which all the components were incorporated. It is important to note that more than 60% students are from SC, OBCs backward. College students get position in merit list of the University, represent university in various interuniversity sports competitions. Believing gender equality girl's education percentage is higher in our institution, also specific facilities are being provided for them.
